

THE INTEGRATION OF SYLVIA THE WOOD NYMPH

**A FIVE-HOUR COURSE ON DISSOCIATIVE IDENTITY DISORDER
BY TIMOTHY D. BREWERTON, MD**

Timothy D. Brewerton, MD, DLFAPA, FAED, DFAACAP, CEDS-S is an experienced clinician, researcher, teacher, mentor, writer, editor, advocate and consultant in the eating disorder field.

He is currently Affiliate Professor of Psychiatry & Behavioral Sciences at the Medical University of South Carolina in Charleston, where he is also in private practice. He is: board certified in general, child-adolescent, and forensic psychiatry, as well as addiction medicine; Distinguished Life Fellow of the American Psychiatric Association; Distinguished Fellow of the American Academy of Child and Adolescent Psychiatry; Founding Fellow and former Board Member of the Academy of Eating Disorders (AED); Founding Fellow and former president of the Eating Disorders Research Society; recent member of the AED Research-Practice Committee; author of >160 articles and book chapters.

He has given over 400 presentations nationally and internationally and has reviewed for over 50 scientific journals.

OBJECTIVES:

- Understand the historical development of the concept of dissociation, multiple personality disorder (MPD) and dissociative identity disorder (DID).
- Compare the adaptive functions of the various alters that are identified and described in this case presentation.
- Describe modern neurobiological findings that support the validity of DID.

REGISTRATION

- \$125 individual
- \$699 institutional / educational
